OFFICIAL NEWSLETTER OF
KERALA ORTHOPAEDIC
ASSOCIATION

Dear Friends & Colleagues

At the outset let me wish a very happy and prosperous new year to all the esteemed members of the Kerala Orthopaedic Association.

IOACON- 2016 was a resounding success without any doubt and allow me to congratulate each and every member of the organizing team especially those at the helm Dr. Lazar J. Chandy, Dr. Tajan. P.J and Dr. Vasudevan . P.N, Dr Dennis P Jose whose untiring efforts helped us to pull it off in style this time around. My special thanks to the local club Cochin Orthopaedic Society, president, secretary and all the members of COS for cooperating and working as a cohesive unit and all other district clubs for chipping in as and when wanted leaving their busy schedules behind. This will remain a feather in the cap of KOA for a long time to come.

We had an academic feast this year with continuing medical education happening almost every weekend across the length and breadth of Kerala and the icing on the cake was the academic sessions of the IOACON which was well attended by almost all the delegates.

2016 was a truly unique year in more ways than one. We celebrated bone and joint day in August in a big way and created world record in doing maximum number of free surgeries. All the district clubs of Kerala contributed towards putting IOA in the world orthopaedic map.

Kasaragod is hosting the annual conference of KOA for the first time this month end and I request all the members of KOA to actively participate and encourage the Kasaragod club by turning out in large numbers.

Jai Hind Jai KOA
